

SUBJECT

1. Which one of the following effect will be produced after alpha one receptor stimulation?
 - A. Inhibit release of neurotransmitter
 - B. Mydriasis
 - C. Inhibit lipolysis
 - D. Increase Heart rate
2. Which one of the following is non-catecholamine sympathomimetic?
 - A. Epinephrine
 - B. Dobutamine
 - C. Dopamine
 - D. Phenylephrine
3. Which one of the following is alpha and beta non selective sympathomimetic?
 - A. Dopamine
 - B. Salbutamol
 - C. Pirbuterol
 - D. Prenalterol
4. Which one of the following effect will be produce after beta two stimulation?
 - A. Lipolysis
 - B. Glycogenolysis
 - C. Sphincter Contraction
 - D. Bronchioconstriction
5. Which one of the following is beta non selective antagonist?
 - A. Propanolol
 - B. Atenolol
 - C. Metoprolol
 - D. Esmolol

6. Which one of the following is centrally acting sympatholytic?
 - A. Labetolol
 - B. Prazosin
 - C. Terazosin
 - D. Clonidine
7. Which one of the following beta blocker is used in migraine prophylaxis?
 - A. Atenolol
 - B. Propanolol
 - C. Acebutolol
 - D. Timolol
8. Which one of the following muscarinic receptor is abundant in heart muscle?
 - A. Muscarinic One
 - B. Muscarinic Two
 - C. Muscarinic Three
 - D. Muscarinic Four
9. Which one of the following effect will be produced after muscarinic receptor stimulation?
 - A. Increase Heart Rate
 - B. Increase Heart Contraction
 - C. Miosis
 - D. Trigone Contraction
10. Which one of the following is indirect acting prasympathomimetic?
 - A. Methacholine
 - B. Pilocarpine
 - C. Muscarine
 - D. Neostigmine

P-22-SECOND YEAR PAPER II-WHITE-2022-11242

11. Which one of the following is used for the treatment of Parkinsonism?

- A. Ipratropium
- B. Trihexyphenidyl
- C. Atropine
- D. Scopolamine

12. Which one of the following has no any therapeutic use?

- A. Hexamethonium
- B. Trimethaphan
- C. Nicotine
- D. Hyoscine

13. What do you mean by false perception without any sensory stimuli?

- A. Psychosis
- B. Schizophrenia
- C. Delirium
- D. Hallucination

14. Which one of the following is ultra short acting barbiturate?

- A. Methohexital
- B. Phenobarbital
- C. Hexobarbital
- D. Secobarbital

15. Artificial induction of sleep resembling natural sleep is called as:

- A. Sedation
- B. Hypnosis
- C. Depression
- D. Mania

16. Pharmacy law is a body of information about _____

- A. Drugs and drug therapy
- B. Drugs
- C. Drugs and drug distribution
- D. Drugs, drug distribution and drug therapy

17. Pharmacy law is regulated at the _____ level.

- A. Federal
- B. Provincial
- C. District
- D. Divisional

18. In the context of pharmaceutical sciences _____ steps are involved in risk management.

- A. Three
- B. Two
- C. Seven
- D. Six

19. On-going evaluation is a step in risk _____.

- A. Realization
- B. Management
- C. Aversion
- D. Evaluation

20. Risk Communication is an important step in risk _____

- A. Evaluation
- B. Aversion
- C. Realization
- D. Management

21. According to legal guidelines for a Pharmacist each prescription must be critically reviewed before dispensing to ensure that the medicines are safe and in the best interest of the _____.

- A. Patient
- B. Company owner
- C. Doctors
- D. Hospital administration

22. According to legal guidelines for a Pharmacist Patients must be given _____ details regarding their medicines at the time of dispensing, so that they fully understand what the medicine is and what it is for.

- A. Basic
- B. Few
- C. Some
- D. Complete

23. According to legal guidelines for a Pharmacist _____ information must be given to the patient regarding the safe storage of their medicine.

- A. Basic
- B. Complete
- C. Few
- D. Proper

24. The main object of the Drug Act 1976 is to _____.

- A. Control import, export, manufacture, sale, supply and distribution of the drugs.
- B. Control import, export, sale, supply and distribution of the drugs.
- C. Control import, export, manufacture and sale of the drugs.
- D. Control import, export, and manufacture of the drugs.

25. The Drug Act 1976 extends to the _____ of Pakistan.

- A. Capital
- B. Federally administered areas
- C. Provinces
- D. Whole

26. The basic purpose of the Pharmacy Act 1967 is to establish _____.

- A. Pharmacy organization
- B. Pharmacy institution
- C. Pharmacy committee
- D. Pharmacy council

27. According to the Dangerous Drug Act, 1930 "dangerous drugs" includes _____.

- A. Coca leaf, hemp and opium and all manufactured drugs
- B. Coca leaf, hemp and opium
- C. Coca leaf and hemp
- D. Hemp and opium

28. The Shops and Establishment Ordinance 1969 is applicable to the _____ of Pakistan.

- A. Provinces
- B. Capital
- C. Federally administered areas
- D. Whole

29. According to the Shops and Establishment Ordinance 1969 "day" means the period of _____ hours beginning at mid-night.

- A. Twenty four
- B. Twelve
- C. Eight
- D. Nine

30. The basic purpose of the Poison Act 1919 is to _____.

- A. Regulate the importation, possession and sale of poisons
- B. Regulate the importation of poisons
- C. Regulate the importation and possession of poisons
- D. Regulate the possession and sale of poisons

31. Adolescence stage starts from _____ years.

- A. Twelve
- B. Eleven
- C. Thirteen
- D. Fifteen

32. Adolescence stage comes to an end at _____ years.

- A. Sixteen
- B. Eighteen
- C. Seventeen
- D. Nineteen

33. Young Adulthood starts from _____ years.

- A. Fourteen
- B. Fifteen
- C. Sixteen
- D. Eighteen

34. The young adulthood stage comes to an end at _____ years.

- A. Thirty five
- B. Thirty
- C. Forty
- D. Forty two

35. Social influence occurs when someone's:

- A. Emotions and opinions are affected by others
- B. Emotions and behaviors are affected by others
- C. Emotions, opinions, or behaviors are affected by others
- D. Opinions and behaviors are affected by others

36. Hereditary Cultural Influences on _____.

- A. Thought
- B. Mind
- C. Perception
- D. Behavior

P-22-SECOND YEAR PAPER II-WHITE-2022-11242

47. In Windows operating system when you delete a file or folder, it doesn't actually get deleted right away, it goes to the:

- A. Dust bin
- B. Recycle Bin
- C. Cycle Bin
- D. Garbage collection

48. _____ is software for creating newsletter, business cards, flyers, greeting cards or post cards.

- A. Microsoft Word
- B. Microsoft PowerPoint
- C. Microsoft Project
- D. Microsoft FrontPage

49. If you want to create a set of documents, such as a form letter that is sent to many customers or a sheet of address labels. Which of the following options is used MS Word?

- A. Reviewing
- B. Collaboration
- C. Mail merge
- D. Mass mailing

50. The shortcut key to split a table is:

- A. CTRL + ALT + Enter
- B. CTRL + SHIFT + ENTER
- C. CTRL + ENTER
- D. SHIFT + ALT

51. The shortcut key to display a field code is:

- A. Alt F9
- B. Alt F7
- C. Shift F9
- D. Shift F6

52. Alt + F4 is used for:

- A. Opening application in MS word
- B. Saving file in folder
- C. Accessing the location of a file
- D. Closing a file

53. What are Portrait and Landscape?

- A. Paper Size
- B. Paper print preview
- C. Paper Orientation
- D. Type of alignment

54. What is the function of Justify?

- A. It aligns the text to left
- B. It aligns the text to right
- C. It aligns the text in the center
- D. It aligns the text equally from all sides

55. Ctrl + V is used for:

- A. Copy
- B. Paste
- C. Undo
- D. Select all

56. Ctrl + F is used for:

- A. Replace
- B. Delete
- C. Find
- D. Open

57. Which type of website on the internet will assist you in finding specific information you require?

- A. News Portal
- B. Web Portal
- C. Search Engine
- D. Forums

58. V

59. V

60. I

37. Culture makes us different from _____.

- A. Each other
- B. Animals
- C. Others
- D. Individuals

38. In risk assessment they _____ are identified.

- A. Hazards
- B. Possible harms
- C. System and possible harms
- D. System, hazards and possible harms

39. Behavioral sciences deal with the study of human:

- A. Behavior
- B. Attitude
- C. Concepts
- D. Thoughts

40. There are _____ categories of behavioral sciences.

- A. Nine
- B. Five
- C. Four
- D. Three

41. Psychology is the study of human _____.

- A. Mind
- B. Capacity
- C. Personality
- D. Both A and D

42. Sociology deals with the understanding of the influence of society on:

- A. Health
- B. Health and disease
- C. Disease
- D. Social nature

43. Malnutrition makes people _____.

- A. Rude
- B. Psychology disturbs
- C. Rude and psychology disturbs
- D. Angry

44. Physical environment is used those environmental factors that can be:

- A. Seen and visualized
- B. Seen
- C. Visualized
- D. Sensed

45. Television and commercials can change the basic _____ of any person.

- A. Views
- B. Thoughts
- C. Thoughts and views
- D. Opinion

46. Text editor that is the part of Windows operating system is known as:

- A. WordPad
- B. Notepad
- C. Microsoft Office
- D. Microsoft Word

58. Which of the following is the correct form for an email account?

- A. gmail.com@abbas
- B. araza.com@hotmail
- C. reserveword@yahooail
- D. Umair123@rediffmail.com

59. Which of the following protocol is used for downloading files from the internet?

- A. HTTP
- B. SMTP
- C. FTP
- D. TCP/IP

60. Email stands for:

- A. Easy mail
- B. Electronic mail
- C. Electric mail
- D. Earning mail
